Stripe Professional Billing Developer

Credential →

Stripe Professional Payments Developer

Credential →

Stripe Associate Developer

Credential →

EXPERIENCE

Senior Web Developer — Composable Commerce

Present

Build composable storefronts by wiring React/Next.js frontends to headless commerce backends, leveraging AI helper tools to rapidly debug and resolve system errors

React · Next.js · JavaScript · E-commerce · CMS

Lead Developer — B2B Software

2021 — 2023

Led a dev team building B2B software. Drove technical planning, established code review standards, and implemented a CI/CD pipeline that streamlined deployments

Vue · PHP · Laravel · Node.js · CI/CD · Google Cloud · MySQL

Frontend Developer — Agency / CMS Solutions

2020 — 2021

Engineered custom marketing sites and reusable component libraries on HubSpot and WordPress, accelerating project delivery for multiple agency clients

HubSpot · WordPress · Node.js · JavaScript

Senior Web Developer — Real-Time Communications

2018 — 2020

Built full-stack features for a real-time WebRTC platform and mentored junior developers to level up the team's Vue and JavaScript standards

WebRTC · JavaScript · Vue

Web Developer — ESL Platform

2017 — 2018

Built and maintained end-to-end features for a high-traffic ESL learning platform using PHP and Laravel

PHP · Laravel · MySQL
